100% Pinot Noir. This Champagne is produced by the grand classic method of direct maceration of Pinot Noir, known as "Saignée". LAURENT-PERRIER CUVÉE BRUT NV ⁴⁸ **49.50**

While a Vintage Champagne shows the character of a specific harvest, a non-vintage Champagne exemplifies the style of the House. Freshness, elegance and balance, the defining qualities of the range, are showcased in the Brut L-P year after year. With 45% Chardonnay and up to 20% reserve wines to ensure consistency, this Champagne is fresh and delicate with good complexity and a hint of citrus.

ROSE LAURENT-PERRIER Brut NV ⁴⁹ **70.00**

Using only the highest quality Pinot Noir grapes, this iconic Rosé is one of the few Rosé Champagnes that is made by drawing the juice from black grapes in the vat, instead of simply blending red and white wines. This gives it the highly expressive bouquet, extraordinary depth and freshness, and delicious red berry flavours that have made it a benchmark for all Rosé Champagnes.

DOM PERIGNON VINTAGE ⁵⁰ **150.00**

Moët & Chandon. Why is D.P so special? Could it be: it was the first prestige cuvee; uses the same source of grapes for each vintage; a rigorous selection process in both vineyard and winery; the seamless balance of Chardonnay to Pinot Noir in equal portions or the impeccable blending. Probably just that it is beautifully understated, offering characteristic smoothness.
